Exceptional organisational skills

---

## PROFESSIONAL EXPERIENCE

Freelance

Feb 2023 - Present

### Frontend engineer

Engaged in freelance frontend engineering, handling project-based contracts. Focused on delivering custom web solutions using ReactJS and JavaScript. Managed end-to-end project delivery, from concept to implementation. Ensured high-quality user interfaces and seamless backend integration, leading to successful project outcomes and client satisfaction.

Scylla

Jul 2021 - Dec 2022

### Frontend engineer

Specialized in frontend development with JavaScript and ReactJS. Focused on crafting responsive UI/UX and ensuring cross-browser compatibility. Collaborated for API integration, contributing to dynamic web applications. Achieved high client satisfaction and met project deadlines.

Cretrix

Oct 2018 - Jul 2021

### Fullstack developer

Engaged in full-stack development with a focus on frontend tasks. Utilized ReactJS to create interactive, user-centric web interfaces, integrating seamlessly with backend APIs. Contributed to enhanced website performance and user experience, consistently achieving project objectives and client satisfaction.
